Product Description: **FLAME-RESISTANT SPRAY SOCKS**
Part Number: **1410-12FR**
Style: **DISPOSABLE**

GENERAL DESCRIPTION:

Our Flame-Resistant Spray Socks provide comfortable protection against overspray and other particulates where exposure to high heat environments may occur. They offer excellent wear and durability while easily fitting over the wearer's head and can be worn with goggles, half-mask, and full-mask respirators. Ships 12 per package.

SPECIFICATIONS:

- Made from a blend of Modacrylic, cotton, and a nylon stretch knit material
- Sewn with a brown colored Nomex flame-resistant thread
- Provides head, face, and neck protection from overspray, dust, dirt, resin, and fiberglass
- Flame-resistant qualities protect against clothing ignition, sustained flame spread, and does not melt or drip
- Fabric's protective qualities will not wash out
- Cool and lightweight
- Excellent wear and durability
- Stretch to fit facial opening to allow exposure of eyes, nose, and mouth
- Made in USA
