

SPECIFICATIONS

Product Description: **KNEE PAD**
Part Number: **6987**
Style: **ULTRA FLEXKNEE**

GENERAL DESCRIPTION:

Our Ultra Flexknee is ribbed across the knee for easy flexing and maximum comfort above the knee. It is designed with a grooved kneeling surface for non-slip stability and to hold its shape better. Suitable for a wide variety of applications.

EXTERIOR SHELL AND BUTTONS:

- Made from eco-friendly PVC (Polyvinyl Chloride)
- Grooved for non-slip stability
- Blue color
- Extended knee covering prevents debris from getting inside kneepad

INNER PAD:

- EVA (Ethylene Vinyl Acetate)
- Greater comfort
- Water resistant

STRAPS:

- Thermo Plastic Rubber (TPR)
- Black color
- Easy to adjust for a comfortable custom fit
- Dual straps

ACCESSORIES:

- 6988-04 Replacement Straps (4/pkg.)
