

SPECIFICATIONS

Product Description: **KNEE PAD**
 Part Number: **6991**
 Style: **LEATHER KNEE PAD**

GENERAL DESCRIPTION:

Our abrasion-resistant leather knee pads are designed for superior comfort and support while offering maximum protection. Strong and lightweight construction allows you to wear them comfortably all day. The soft cushion back adds extra comfort. Because of its resistance to heat and fire our leather knee pad is ideal for welders or any construction application such as concrete work.

EXTERIOR SHELL:

- Tan suede leather front
- Black nylon “velvet” back
- Durable
- Flexible

INNER PAD:

- Pliable EVA foam pad for added comfort

STRAPS:

- 1½” (3.8 cm) elastic
- Hook and loop closure
- Dual
- Adjustable for custom fit

DIMENSIONS:

Width	Height	Strap Length	Strap Width	Weight (Pair)
8½” (21.5 cm)	10” (25.4 cm)	11” (27.9 cm)	1½” (3.8 cm)	8.4 oz (0.23 kg)
