

SPECIFICATIONS

Product Description: **KNEE PAD**
Part Number: **6999**
Style: **VALUE PLUS**

GENERAL DESCRIPTION:

The most cost-effective knee pad in dirty, dusty environments. Comes with two fully adjustable straps with hook and loop closure for a custom fit. The poly cap is stitched on for greater strength and won't allow particles underneath to cause discomfort. Tough polyester fabric exterior protects a high-density lightweight foam core, and the long pad provides extra comfort.

EXTERIOR SHELL:

- Polyester construction for longer wear
- PE cap
- Available in navy blue

INTERIOR SHELL:

- EVA foam backing for comfort

STRAPS:

- Elastic reinforced dual straps
- Easy to adjust hook and loop closure
- 11" (27.9 cm) long
- Sewn on

FEATURES:

- Hard PE kneecap
- Good oil resistance
- Anti-slip

DIMENSIONS:

Width	Height	Strap Length	Strap Width	Weight (Pair)
9 1/4" (23.5 cm)	10" (25.4 cm)	11" (27.9 cm)	1 1/2" (3.8 cm)	7 oz (0.2 kg)
