

## SPECIFICATIONS

Product Description: **KNEE PAD**  
Part Number: **7101**  
Style: **STANDARD, RUBBER**

### GENERAL DESCRIPTION:

One-piece molded rubber construction offers greater comfort at low cost. Adjustable hook and loop straps ensure a secure fit. Its surface grid provides skid resistance even in wet areas and superior protection on hard surfaces such as home and garden use.

### PAD MATERIAL:

- Natural rubber blend
- Compression molded

### STRAPS:

- 1" (2.5 cm) Nylon reinforced elastic single strap
- Easy to adjust hook and loop closures
- 22" (55.8 cm) long
- Pull through metal ring with hook and loop closure

### FEATURES:

- Water resistant
- Good oil resistant
- Anti-slip
- Non-replaceable

### DIMENSIONS:

| Width        | Height         | Strap Length  | Strap Width | Weight (pair)    |
|--------------|----------------|---------------|-------------|------------------|
| 5" (12.7 cm) | 6.5" (16.5 cm) | 22" (55.8 cm) | 1" (2.5 cm) | 13 oz. (0.36 Kg) |
