Product Description: **HARD HAT HOOD, SUPPLIED AIR, LP/HP**
 Part Number: **9909 Series**
 Style: **DOUBLE BIB, TYVEK**

GENERAL DESCRIPTION:

The design of our unique disposable double bib hood offers even greater protection for workers by allowing extra space for a hard hat. Lightweight, rugged, and reinforced down tube with swivel connection gives added flexibility. The split air channel design delivers air inside the hood around the temple area. The double bib style means increased protection by simply tucking the inner layer into the protective clothing. NIOSH approval number TC-19C-409. Offered in a wide variety of configurations that are listed below.
